SKIN
CARE

Base System Gentle Hydration & Moisture Lock

Base System
Mild, skin-friendly, lightweight moisturizing.

1:1 Biomimetic Lipid Structure

Mimics the skin's natural lipid barrier to strengthen protection and deliver long-lasting moisture retention.

Dual Moisturizing Agents + Lightweight Oils

Infused with glycerin, propanediol, and jojoba esters for rapid moisture locking with a lightweight, non-comedogenic texture.

Triple Botanical Oils for Barrier Support

Enriched with squalane and macadamia seed oil to closely mimic skin lipids and reinforce the skin barrier.

Gentle Emulsifying System for Sensitive Skin

Free from alcohol, fragrance, and artificial colorants. Mild and skin-friendly for daily use.

SKIN
CARE

Core Luxury Care Actives

Antioxidation, Anti-Aging & Repair

Premium Core Ingredients
Antioxidant, anti-age, repair.

Antioxidant Defense Complex

Ectoin (Protective Shield) + Ergothioneine (High-Performance Antioxidant) help defend against environmental stress and reduce dullness.

Deep Anti-Aging Complex

6D Collagen (Plumping & Smoothing) + Sodium DNA (Barrier Repair) help replenish collagen at the source for firmer, more lifted skin.

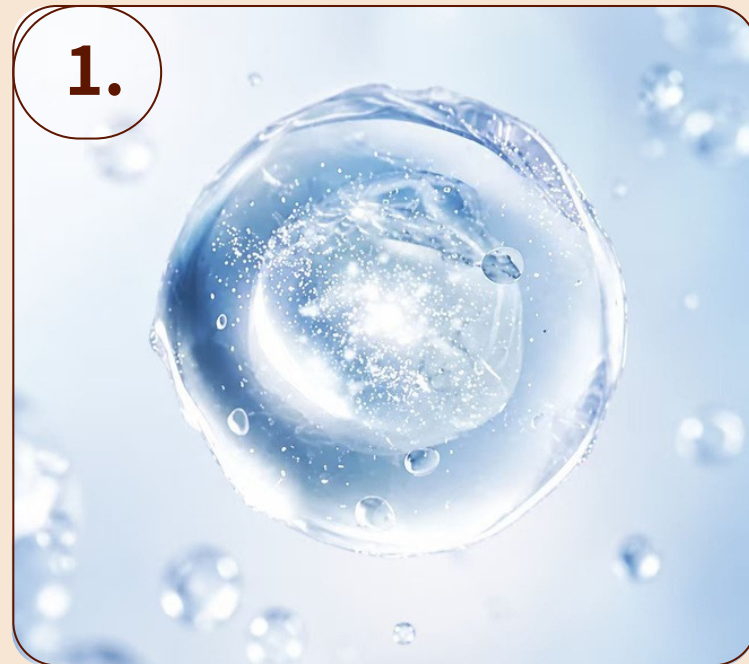

Natural Radiance-Boosting Actives

Grape Seed Extract, rich in anthocyanins, works synergistically to provide antioxidant protection, even skin tone, and restore radiant glow.

Fei Jia
SKIN CARE

Ingredient Benefits

Ectoin

Ectoin delivers deep hydration and moisture retention while soothing sensitive skin. It also helps strengthen the skin barrier, defend against environmental stressors, and maintain soft, healthy-looking skin.

Ergothioneine

Ergothioneine provides deep hydration and comfort to sensitive skin while helping reinforce the skin barrier. Its powerful antioxidant properties help protect skin from environmental stress and maintain skin vitality.

6D Collagen

6D Collagen promotes multi-dimensional collagen production to help repair skin elasticity, firm the skin, and improve the appearance of fine lines and wrinkles for a smoother, more youthful look.

Sodium DNA

Sodium DNA provides nucleic acid support to skin cells, helping promote cellular repair and regeneration. With antioxidant benefits, it helps restore skin vitality and radiance.

Grape Seed Extract

Rich in anthocyanins with powerful antioxidant benefits, helping reduce dullness and fine lines while restoring healthy, radiant skin.

CARE

Formula Advantages

Precision-Dosed for Maximum Efficiency

Formula Advantage
Precise dosage, high efficiency.

Streamlined Formula Logic

Adhering to the philosophy of “less is more,” the formula is crafted with a minimalist ingredient approach, removing all unnecessary additives while preserving only the core active ingredients.

Supporting Ingredient System

Scientifically combined with Polysorbate and Triethanolamine, used solely for structural stabilization to maintain formula balance and optimize texture without interfering with the core efficacy.

Ultimate Core Value

While ensuring efficient absorption of the key active ingredients, the formula delivers a smooth and comfortable skincare experience, achieving the perfect balance between performance and value.

Key Selling Points Summary

Core Selling Points

01

Natural Botanical Lipid Base Strengthens the Skin Barrier

A blend of three botanical oils and biomimetic lipids delivers deep nourishment, fast absorption, and long-lasting hydration.

02

Luxury Anti-Aging Complex Firms & Smooths Fine Lines

Infused with 6D Collagen, Sodium DNA, and Ergothioneine to help improve dullness, enhance radiance, and target early signs of aging.

03

Sensitive Skin Repair Care Soothes & Stabilizes Skin

Powered by Ectoin and Grape Seed Extract to help defend against external stressors while calming dryness and discomfort.

FeiJia

04

Gentle & Comfortable Suitable for All Skin Types Year-Round

Minimalist Formula, Free from Harsh Additives
Deeply Nourishing Yet Lightweight for All-Day Care

05

Multi-Dimensional Care in One Jar

Combines Five Essential Benefits in One:
Hydration, Repair, Antioxidant Protection, Anti-Aging
& Brightening

SKIN
CARE

Application Method

Application Techniques

3 Recommended Ways to Use

01

Daily Lightweight Application

After cleansing and hydration, apply evenly to the face, massage gently, leave on for 15–20 minutes, then rinse off.

03

Overnight Intensive Care Method

Apply evenly before bedtime. Layer more on dry areas, leave on overnight, and cleanse normally the next morning.

02

Sandwich Layering Method

Apply a thick layer after cleansing. Focus on dry areas and use with a facial mask for intensive care. Leave on for 15–20 minutes, then rinse or wipe off excess product.
